Hi...! I see you have a Mazda RX-8. I have one, too! Great car, isn't it?

Maybe you'd like to meet me and other RX-8 owners, and also learn more about the car's capabilities...and yours!

Some RX-8 enthusiasts are planning the RX-8 Nationals, to be held at Goulburn (NSW), on the weekend of 21-23 October 2005. There will be social, technical and competitive activities, and family fun. You'll meet people who share your pleasure for this car, from all over.

To find out more, go online to one of the RX-8 forums, and join in the planning:

www.rx8club.com (and go to the Australian Forum) or

www.rx8club.com.au

Or send an email to timbo_RX8@mac.com

See you there!
