2. We expect all vehicles involved on the cruise to have insurance (At least 3rd party property, don't risk anyone else's pride and joy), a Licence (if you don't have this, **DONT SHOW UP**) and Road worthy car (as above if you don't have this, **DONT SHOW UP**).
3. **OzMazdaClub.com** cruises have never had issues from the **Police services**, and we do hold a great deal of respect for the **Police services**. If your driving is seen to increase risk to fellow drivers, we will ask you to leave the cruise.
