2006 Mazda RX-8 *Special Edition*

From the wild side of innovation, comes the new

Mazda RX-8 Special Edition. Admire its graceful lines.

Note the performance-bred accents and upgrades.

Feel the supple texture of its Alcantara® seats. Listen

to the quiet, yet confident call of its award-winning

232-hp RENESIS rotary engine. There are only a limited

number of these Copper Red creatures in the entire

world. If you want to capture one, you'd better be quick.
