

2006 MAZDA5

Product Information Bulletin

The 2006 MAZDA5 is an unprecedented multifaceted vehicle that combines the dimensions, ease of use and value of a compact, and the sophistication, refinement, and features of a premium import, with the ability to offer seating for six or a wide variety of passenger/cargo combinations.

Designed from the inside out for maximum comfort, convenience and functionality, the MAZDA5 is an amazingly versatile vehicle with a fun-to-drive quotient to match. With standard safety features including ABS, Triple-H body construction, and side and curtain airbags, the MAZDA5 meets the demands of your customers for both safety and driving enjoyment.
