

# 2007 MAZDA5

## Product Information Bulletin

---

June 2, 2006

Mazda is pleased to announce that for the 2007 model year MAZDA5, this amazingly versatile and fun-to-drive multi-activity vehicle gets even better with the addition of the Grand Touring model to the lineup. As a step-up from the Touring model, the Grand Touring adds another dimension to MAZDA5's appeal with new features including leather-trimmed seats, heated seats and Xenon/HID headlights for customers wanting something extra.

Along with the new Grand Touring model, Sport and Touring models will continue to provide your customers great value, functionality, sporty styling and spirited driving enjoyment!

The 2007MY Job #1 is scheduled for July 2006 and initial production units are expected to begin arriving at dealerships in early Fall 2006.
