Mazda is pleased to announce the product enhancements for the 2007 Mazda RX-8.

A 6 disc CD changer is now added standard on the Touring and Grand Touring models. The current model lineup is updated to reflect the new nomenclature strategy of Sport, Touring and Grand Touring.

Two new colors are available for the 2007 RX-8: Crystal White Pearl and Stormy Blue. Three colors are discontinued: Copper Red, Whitewater Pearl Mica and Winning Blue.

The Sand leather trimmed seats are available on the Grand Touring. The Black/Chaparral leather combination has been dropped for 2007MY.
