Automatic Transmission QNCB-46-030

● Shift Gate Panel

Adds a technical carbon fiber look to the automatic transmission Shift Gate Panel. (not shown)

Shift Gate Panel QNCB-V8-187 -C1

● Parking Brake Lever Grip

Add a technical look with an aluminum and carbon fiber Parking Brake Lever Grip.

Parking Brake Lever Grip QNCB-44-034

● Knee Pad Set

Door panel and transmission tunnel pads provide a sporty addition to the interior.

Knee Pad Set QNCB-64-22Z

● Decoration Panel

Adds a technical carbon fiber look to the instrument panel.

Decoration Panel QNCB-V1-190 -C1

● Door Switch Panel

Add a technical carbon fiber look to the door panel.

Without Power Door Locks QNCB-V1-200 -C1
With Power Door Locks QNCC-V1-200 -C1

● Rear View Mirror Cover

Adds a technical carbon fiber look to the rear view mirror.

Rear View Mirror Cover QYYC-V1-450 -C1

■ Stabilizer Bar Kit

Stabilizer Bar Kit provides increased steering response and reduced body roll. Kit includes front and rear Stabilizer Bars and urethane bushings.

Stabilizer Bar Kit GRMS-8M-D16

▲ MAZDASPEED Big Brake Kit (Not shown)

Mazdaspeed partnered with performance brake system leader  to create a front brake upgrade for the MX-5. This upgrade features lightweight Brembo 4 piston aluminum alloy calipers mated with larger 310mm X 25mm pillar vented Brembo slotted discs. The kit also includes all needed mounting hardware, high performance brake pads and new stainless steel braided brake lines.

Big Brake Kit RAMS-8M-D12

MX-5

The ultimate in sports-car performance meets the ultimate in race-inspired accessories.

▲ Coil Over Suspension

Ride height adjustable between 20mm and 50mm lower than stock. Spring rate increases of 80% over stock depending on vehicle model. Dampers single knob adjustment for rebound and compression.

Coil Over Suspension RAMS-8M-D09

● Sport Dampers

Sport Dampers have increased damping rates.

Front (2 required) QNCA-34-700

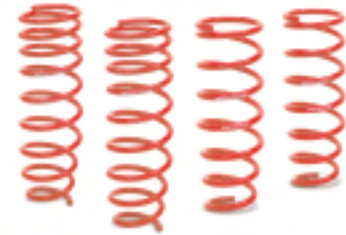

Rear (2 required) QNCA-28-700

● Strut Tower Bar

Light weight aluminum Strut Tower Bar adds to the structural integrity of the vehicle.

Strut Tower Bar QNCA-56-490

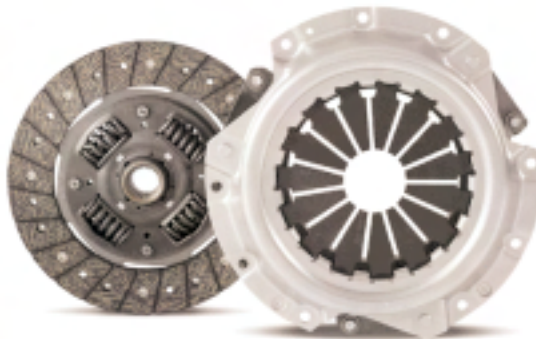

■ Sport Springs

Reduces the ride height by 34mm. Spring rate is increased by 26% over OE resulting in enhanced steering and improved cornering.

Sport Springs (set of 4) GRMS-8M-D17

Sport Spring Kit (Power Retractable Hardtop) GRMS-8M-D40

▲ Limited Slip Differential

Limited Slip Differential QNCA-27-200

▲ Sport Clutch

The Sport Clutch provides street capable operation with increased clamping force for faster and smoother shifting.

Sport Clutch RAMS-8M-D10

▲ Light Weight Flywheel

Reduced rotation inertia for improved engine response.

Light Weight Flywheel RAMS-8M-D11

■ Cold Air Intake

Bring cold air from outside the engine compartment into the engine through mandrel bent, 2.5" diameter, polished and powder coated aluminum tubing. The intake system is designed for improved engine breathing, while re-using the stock MAF sensor. Kit includes washable and reusable conical filter. The kit is emissions-legal in all 50 states. Check with your MAZDASPEED Dealer for current applications.

Cold Air Intake GRMS-8M-D30

■ Sport Exhaust

The Sport Exhaust is designed to provide an aggressive exhaust note. Polished stainless steel muffler and tips with MAZDASPEED logo.

PERFORMANCE ACCESSORIES

WARRANTY INFORMATION

MAZDASPEED "Blue" Performance Accessories

MAZDASPEED "Blue" Performance Accessories must be installed by a MAZDASPEED Dealer on a US specification vehicle and be specifically approved by Mazda for the particular application. These parts are covered under the Mazda Replacement Parts and Accessories Limited Warranty and are warranted for the first 12 months/12,000 miles from the date of installation or the duration of the New Vehicle Limited Warranty, whichever is longer. Should the parts be purchased but not installed by a MAZDASPEED Dealer, they will be covered for the first 12 months/12,000 miles from the date of purchase, excluding labor charges. Parts or accessories replaced/installed under warranty, are covered for the time remaining in the New Vehicle Limited Warranty.

MAZDASPEED "Green" Performance Accessories

MAZDASPEED "Green" Performance Accessories must be specifically approved by Mazda for their particular application. These parts are warranted for the first 12 months/12,000 miles from the date of purchase, excluding labor.

MAZDASPEED "Orange" Performance Accessories

MAZDASPEED "Orange" Performance Accessories are sold "as is" without any warranty of any kind. All implied warranties, including all warranties of merchantability of fitness for a particular purpose, are excluded. Purchaser acknowledges that no representations have been made regarding these parts, including but not limited to any representations as to their quality of performance, and purchaser shall be responsible for and bear all costs of repair or replacement due to any defect in or failure of these parts or any damage to other components. Purchaser acknowledges that vehicles equipped with MAZDASPEED "Orange" Performance Accessories shall not be operated on public highways. MAZDASPEED "Orange" Performance Accessories are intended solely for the use on vehicles participating in race/off-road competition events. Purchaser acknowledges that all Mazda vehicle/parts/accessory warranties are voided if the vehicle is used in a competitive event. Purchaser also acknowledges that there will be no warranty coverage for any part or accessory that fails as a result of the installation of a MAZDASPEED "Orange" performance part. Purchaser accepts all responsibility for all vehicle modifications and all potential risks.

MAZDASPEED "Orange" Performance Accessories have been designed and are intended for race/off-road applications only. Federal and many state laws prohibit the removal, modification of, or rendering inoperative any part or vehicle system affecting emissions or safety.

MAZDASPEED Performance Accessories are available exclusively through MAZDASPEED Dealers. For up-to-date accessory information and pricing, contact your local authorized MAZDASPEED Dealership.

©2006 Mazda North American Operations. With all accessories, please check with your Mazda Dealer for applicable models. In some cases, parts in addition to those shown will be required for proper installation. In all cases, professional installation by your Mazda Dealer is recommended. Mazda reserves the right to change product availability, pricing, or specification at any time without incurring obligations.
