2004-2005 RX-8

Satellite Radio

All 2004 and some early 2005 RX-8 vehicles are not equipped with satellite enabled audio units. The tuner and display panel have been modified to accept the Sirius satellite accessory on vehicles with a production date of 8/1/2004 (VIN 50143221) or later. Updating these systems to accept the Sirius satellite accessory is performed at owner's expense, and is not covered by the factory warranty for 2004 or early 2005 vehicles.
