

# **GENUINE SHIFT KNOB**

## **INSTALLATION AND USER'S INSTRUCTIONS**

Thank you for purchasing a genuine Mazda accessory.  
Before removal and installation, be sure to thoroughly read these instructions.  
Please read the contents of this booklet in order to properly install and use the shift knob. Your safety depends on it.  
Keep these instructions with your vehicle records for future reference.

### **WARNING**

There are several  **WARNING** and  **CAUTION** sections in this booklet concerning safety when installing or removing the shift knob. Always read and follow them in order to prevent injuries, accidents, and possible damage to the vehicle.

 **WARNING:** Indicates a situation in which serious injury or death could result if the warning is ignored.

 **CAUTION:** Indicates a situation in which bodily injury or damage to the vehicle could result if the caution is ignored.

- Do not modify the shift knob.
- Do not install the shift knob in any way other than described in the following instructions.
- If in any doubt, please ask your Mazda dealer to install the accessory in order to prevent errors in installation.
- If you have any questions about the use of the accessory, ask your Mazda dealer for proper advice before using it.
- Mazda and its suppliers are not responsible for injuries, accidents, and damage to persons and property that arise from the failure of the dealer or installer to follow these instructions.
- To ensure safety and reliability of the work, installation, removal and disposal work must be carried out by an Authorized Mazda Dealership.
- Be careful not to lose removed parts, and be sure that they are kept free from scratches, grease or other dirt.

<b>PART NUMBER:</b>	<b>QSEA 46 030</b>
<b>VEHICLE:</b>	<b>Mazda RX-8</b>

#### **NOTE**

##### **To the dealer**

- Please turn over these instructions to the customer after installation.

##### **To the customer**

- Keep these instructions after installation. The instructions may be necessary for installing other optional parts or removal of this accessory.
- Should the vehicle or this accessory be resold, always leave these instructions with it for the next owner.

# 1 INSTALLATION VIEW

# 2 PARTS

**⚠ CAUTION**

- Before installation, verify that the kit includes all the following parts and that they are free of dirt, scratches, or damage.

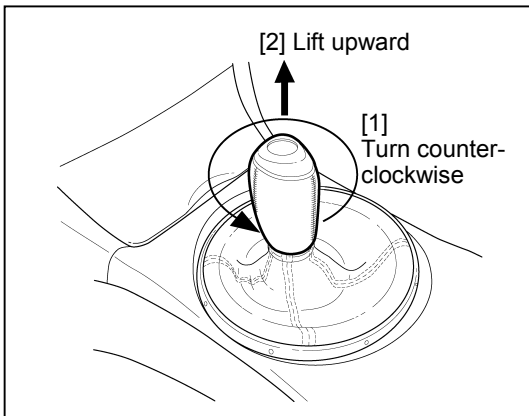

Part	Part name	Specification	Qty	Part	Part name	Specification	Qty
	Shift knob	Urethane	1		Shift pattern label	Label (5-speed)	1
	Shift pattern label	Label (6-speed)	1		Installation and user's instructions	Paper	1

# 3 BEFORE INSTALLATION

**REQUIRED TOOLS**

- Clean rag      Isopropyl alcohol (IPA)

## 4 INSTALLATION

- 1 . Turn the existing shift knob in the direction of the arrow shown in the figure and remove.

### ⚠ CAUTION

- For vehicles with the optional illuminated shift knob, be careful with the illuminated shift knob wiring harness.
- The removed shift knob is not used for this accessory.

- 2 . Turn the shift knob in the direction of the arrow shown in the figure and tighten securely.

Adhere the shift pattern label in the position shown in the figure and in the correct orientation.

### ⚠ CAUTION

- Always degrease the shift pattern label adhesion surface with isopropyl alcohol (IPA).
- There are two types of shift pattern labels, for 5-speed and 6-speed vehicles, therefore, make sure the correct one is adhered on the vehicle.

## 5 HANDLING CAUTIONS

If the accessory has become soiled, clean with a clean rag and a neutral detergent. Never use thinner, benzene, or any similar organic solvent.
